

LATE-SEASON DRAG NEWS

It's hard to believe our 42nd racing season is coming to a close. We've had a phenomenal year!

July saw our biggest race ever at NMD with our 14th Annual Mopars Against the World.

In August, Jeremy McCormick broke the NMD dragster record with an astounding 4.36 ET at 164.74 mph. Our Labor Day weekend races saw a conclusion to our points season.

There is still plenty of racing action to come out and see, or participate. So don't miss out!

We will be having fun till the snow falls! For info call: (231)362-3439.

LIVE updates on all of our racing action can be found at NorthernMichiganDragway.net.
